CALENDAR: 2 semesters of 14 weeks plus exam week.

CREDITS: One unit of credit is defined as 8 semester hours. The normal full-time student load is four, 0.50 unit/4 semester hour courses (2.00 units/16 semester hours) each semester. The credit system for students admitted beginning fall 2024 is semester hours.

GRADUATION REQUIREMENTS: 16 units of credit (128 semester hours) with a C (2.0) average are required for graduation. A senior exercise/capstone in the major program must be completed satisfactorily, as well as diversification, quantitative reasoning, and second language proficiency requirements. The purpose of the senior exercise/capstone is to promote coherence within the major program of the student and, particularly, to offer each student an opportunity to articulate that coherence for himself or herself. Please see our course catalog for details of each major's requirements.

YEAR COURSE GRADES: Grades in year courses (indicated by Y in the course number) are tentative from January to May.

GRADE POINT AVERAGE: Grade point averages are computed by multiplying the quality points of each grade by the number of units of credit, summing, and dividing the total quality points by the GPA units attempted.

DUAL ENROLLMENT LEVEL COURSES: Courses taken at this level are offered through the Kenyon Academic Partnership. The courses are fully equivalent to the introductory courses offered in the college's participating departments. The teachers in the secondary schools present these courses to eligible students according to collegiate standards, reproducing as closely as possible, a college environment. For information, please see our course catalog.

REPEATED COURSES (R): An "I" in this column indicates the course was repeated for credit; the grade is included in the grade point average.

TRANSFER CREDIT: Kenyon accepts credit earned at other institutions provided the work was pre-approved, received a letter grade of C- or better, the institution is fully accredited by a recognized accrediting agency, and the subject matter is within the spirit of the Kenyon curriculum. Grades are not recorded, and if such grades are needed, the student must request a transcript directly from the institution concerned.

OFF-CAMPUS STUDY GRADES: Beginning with courses completed offcampus in 1990-91 and after, all grades received are posted to the transcript but no quality points are awarded; OCS grades are not calculated into the Kenyon GPA.

FORMER GRADE SYSTEMS:

SEPTEMBER 1955: The College was on a 4.0 point system: A = 4.0, B+ = 3.5, B = 3.0, C+ = 2.5, C = 2.0, D+ = 1.5, D = 1.0, F = 0. Credits were expressed in units with 17.00 units required for graduation. A unit was the equivalent of a standard 6 or 8 semester hour course. Advanced courses were listed as 8 hours per semester. Introductory courses usually carried 6 credit hours for the year or 3 hours for the semester, except for languages.

OCTOBER 1966: The grading system was changed to include a minus grade, based on a 12.0 system as follows: A+ = 12, A = 11, A- = 10, B+ = 9, B = 8, B- = 7, C+ = 6, C = 5, C- = 4, D+ = 3, D = 2, D- = 1, F = 0. **SEPT.**

1971: All 1.00 unit courses became the equivalent of 8 semester hours.

SEPT. 1972: 16.00 units required for graduation instead of 17.00 units.

SEPT. 1975: Changed back to a 4.0 plus and minus quality point system but with Sat/Unsat.

SEPT. 1984: Satisfactory/Unsatisfactory changed to Pass/Fail.

SEPT. 1989: A+ = 4.0, prior to that A+ = 4.33.

FALL 2016: The quality points for minus (-) grades were previously: A- = 3.66, B- = 2.66, C- = 1.66, D- = 0.66.
