About Me

I am an aspiring IT professional with a passion for VFX, computer graphics, and machine learning. I have created 17 unique open-source projects and published two papers with over 300 downloads on large language models. Pursuing a degree in Film has honed my creative problem-solving and project management skills. I excel in developing professional video content and organizing group projects. I also enjoy reading, listening to music, visiting local theaters, and cycling.

Work Experience

Library and Information Services (LBIS), Kenyon College   Gambier, Ohio
IT Assistant · Part-time   *Sep 2023 – Feb 2024*

I supported campus-wide technology needs by preparing workstations, moving office tech, and securely erasing and recycling equipment. I restocked printers daily. I conducted classroom checks under the guidance of team members. I streamlined team projects by applying programming skills, in one instance by generating a spreadsheet of course meetings and classroom locations to determine when our techs could perform maintenance.

Sommerlad Construction   Chicago, Illinois
General Contractor · Part-time   *Jun 2023 – Aug 2023*

I participated in demolition projects for remodeling efforts, performed general land management tasks such as lawn mowing and simple assembly, and supported the team in meeting deadlines and adhering to safety standards.
